Point in Time Homeless Count 2020

01/12/2020

Volunteers needed!

Every year, the US Department of Housing and Urban Development requires communities to conduct a Point in Time Count to assess the needs of people experiencing homelessness. The Local Homeless Coordinating Committee needs your help!

We need approximately 50 volunteers to work in teams to interview individuals experiencing homelessness. Each team will work together in a designated geographical area each morning. To be part of an outreach team, you will need to participate in a training session related to interviewing people experiencing homelessness and completing the survey forms.

Click this link to fill out the volunteer form.
All volunteers must be trained, either in person or online.

In-person training: Thursday, January 16, 2020 at 1:30-2:30pm in Huntsman Hall 326 at Utah State University. Parking in either terrace will be validated.

Online training: https://mymedia.usu.edu/media/Kaltura+Classroom+recording+-+January+16th+2020%2C+1A32A48+pm/0_7slmaan2. The training is about an hour long and it includes very important information about how to identify and interact with homeless persons on the day of the count. You have the option to watch it up to 2x speed.

The end of the powerpoint includes a schedule for each day of the count. We ask that all volunteers be here at the BRAG office by 4AM. We will have breakfast foods available and you are welcome to come a bit earlier to eat. We are planning to have all teams sent out by 4:30.

To view the training powerpoint, as well as a copy of the survey and the unable to wake tracking sheet, click here:
